CONSTRUCTION NOTICE FOR SANDPIPER ISLE PHASE 1 RE-ROOFING PROJECT

Please be advised, beginning on **Monday September 14th, 2020**. American Building Contractors will be commencing your re-roofing project, weather permitting. Materials and equipment will be delivered to your property starting **Thursday September 10th, 2020**. ABC will be blocking off parking spots for equipment and material, please do not park in these areas or remove the caution tape.

When ABC is working on your building we will need access to the parking spots surrounding your building. Please move your vehicles based on our production schedule by 7 AM during the days we are working. The parking spaces will be used for equipment, debris removal and staging.

The construction phases will consist of tearing of the tile and underlayment, drying-in with underlayment including metal trim, new vents and accessories. Then wait for the Building Department to inspect the work performed prior to us roof loading and installing the new tile.

Build Order Phase 1: Clubhouse, 24360 & 24370

Please remove any items from the walls and wall shelves. Hammering will create vibrations that may shake these items off the walls or shelves. Remove or relocate any items such as plants and outdoor furniture that may be damaged by falling debris.

Use caution around the buildings during construction and please be aware of work vehicles and equipment moving around the site. We strongly advise you to watch where you are walking and wear shoes at all times during construction. If you get a nail in your car tire please take a picture of it in the tire, keep the nail and contact the Project Manager as soon as possible.

Work hours will be Monday-Saturday 8:00am to 7:00pm
