## PRESIDENT'S MESSAGE—WASKAH WHELAN

All Politics is Personal. The only thing you can absolutely control is your own vote. However, your sphere of influence can control many votes.

Republican women are the diplomats and persuaders of our party. If you take the time to know the issues, you can be a powerful force for influencing others. Whenever we talk to someone who is calmly sure of themselves and has the facts, we tend to listen.

The coming months before the 2020 November Election is a good time to initiate conversations that promote Republican values and principles. We're not Democrats; we don't screech and yell and jab our fingers in people's faces.

Support our President by being ready to explain why his positions are good for everyone. Pipeline, Border Wall, Stock Market Climb, Manufacturing Job Renaissance, Returning Factories from overseas to protect our national interest, i.e. prescription drug factories, Re-negotiated trade deals to help America and protect our workers.

Explain to people why the information you're giving them is important and let them know how it will impact their lives. Make it personal; make it real. Republican women are one of the best weapons the GOP has to bring voters to our side. After all, talking is our strong suit! Let's put it to good use and influence as many votes as possible.

The valentine cards and cake went over well and was enjoyed by all at the Veterans Home. I want to thank all who were involved from creating, signing and delivering the cards with a special thanks to Ginny for letting us use her home.

On April 14th we have our evening meeting with Liz Wheeler as the main speaker coupled with our road show. At our March meeting I'll be asking for volunteers to help with setting up the road show tables and answering any questions about what to donate. If you can't make the meeting but would like to volunteer or need any info just send me an email ( [diane.randolph@att.net](mailto:diane.randolph@att.net)) or give me a call (619-432-1040).

The fashion show's theme, logo and charity have been decided and I'll be going over everything at our March meeting.

## CHAPLAIN—Ginny Wisley

*“When I was a child, I used to speak as a child think as a child, reason as a child; when I became a man,  
I did away with childish things”  
I Corinthians 13:11*

Happy March Ladies! I thought of this message while writing February’s report, but March, with the California elections at hand, this month seemed much more appropriate.

We have a plethora of Democrats, Socialists & who knows what they are, running against each other. They spew hate, lies, attempts at policies that can’t be done. The Republican party isn’t much better of late (see DeMaio v. Issa ads).

As a spectator to the events that are considered “campaigning”, I think, to a man or woman, they have forgotten the above well know verse.
