

## WE NEED YOUR CONTRIBUTIONS AND CLASS NOTES!

Please send us your contributions and class notes. The Beverly Hills High School Alumni Association is a non-profit organization and depends on contributions for its yearly expenses of \$90,000 that include: the printing and mailing of the Highlights, yearly scholarships to graduating seniors, CPA fees, legal fees, The Hall of Fame and our Executive Director. We truly appreciate those who have already contributed and hope that more of you will as well. Your contributions are our only means of support and the class notes are a vital part of our Highlights. We thank you in advance for all your support!
