CCCC President

Hello everyone:

I hope everyone had a safe and Happy New Year!!

There is not much going on except our ham radio morning nets. We all seem to enjoy those nets. It also keeps us in touch with those that check in and it also lets us know what is going on with others.

We're all hoping this pandemic will end soon. We'll be happy to get out and about but, in the meantime, please stay safe and let's try to follow the rules that have been put before us.

I hope to hear/see you at the next meeting in February. Stay safe!!!

Burgie Jones, KE6MSF

There was a discussion about Win Link, which allows person to person contact to an email address in an emergency using an ICS form. Operators are also able to reach people by RF gateway for farther distances.

There is a need to get Echo Link going to get more distant members to contact us. Howdie said it is very possible. Roger will make Echo Link a priority.

Hello Members,

Hope everyone has had an enjoyable New Year so far.

The usual suspects are checking in on the CCCC Morning Commuter nets, and the same for the three Saturday nets. Still having fun guessing Jan's, "Question of the Day".

January is the perfect time to revisit and reassess my priorities, which is always worth focusing on, and staying engaged. It's that slow.

I'm also currently enrolled at YouTube university to further my B.S. degree. Melody claims that I am at the top of my class. When I asked her, why is she crying, she says it's to keep from laughing in my face. She is so supportive, I am so lucky!

Well time to shop online at See's Candies for Valentine's Day, and all that chocolate I get to eat.

Please stay safe and have fun, 73's,

**Alvin, KK6UQX,
CCCC Editor**
