## **3/19/18-\$100.00 Donation to VAVS for the 38th Annual National Veterans Wheelchair Games**

Hello Grand Knight Dennis,

On behalf of the members of the "Blue Steel" team, our veterans at the VA Medical Center in Salisbury and the VA Volunteer Services (VAVS) organization, I wanted to express my appreciation to you and the Brother Knights of Council #8509 for the generous donation of \$100 (check 2758, dated 3-19-18).

These funds will be used to help cover the costs of transportation and lodging for the wheelchair veterans that will be participating in the 38th Annual National Veterans Wheelchair Games in Orlando Florida in July.

This financial support from the Knights of Columbus makes a huge difference in the lives of our veterans. It is great to have a Council like yours step up to the challenge and support this very worthy cause.

Your ongoing support of our veterans is very much appreciated.

Please share my thanks with your Brother Knights!

God Bless!

Vivat Jesus,

Mitch Miller
