## From the President's Desk:

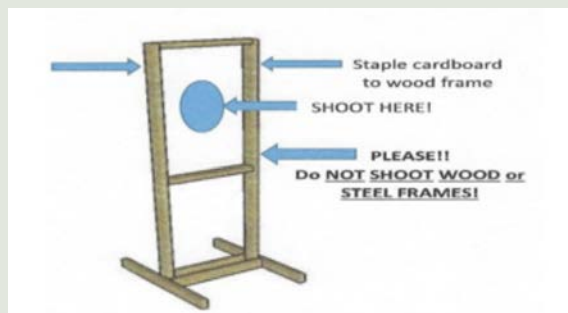

This is why we can't have nice things. **THIS BEHAVIOR IS TOTALLY UNACCEPTABLE.**

These target stands are **DONATED** by fellow members, destroying them with extremely poor target placement is uncalled for.

Place your targets on the cardboard backer, not on the wood/steel frame.

There is replacement cardboard under the 50 yard range pavilion. A stapler should be standard equipment in your range bag.

The ranges are under constant video surveillance. And we will be watching you.

**Learn to be responsible and accountable.**

## Junior News

We've had a busy year. Remember this year the dues increases to \$20, this is to allow us to provide National membership to our Juniors. I've updated the membership application to reflect this change too, download our application on our website: <http://www.yorkiwa.org/juniors.html>

Our Christmas party auction was great time. Bill Duke, our auctioneer, did a great job. We raised over \$400 for the Juniors program. The auction included items such as a Red Rider BB gun, Fly rod combo, Spinning combo, ammo, salt gun, fishing tackle, knives, and shooting supplies. There were also 2 hand-painted windows from the Juniors clubhouse up for sale.

Christmas and the New Year has come and gone. Our activities will start ratcheting up in February. Back in September the Juniors volunteered to do the new member orientation on Feb. 4 at 1:00 in the Main Clubhouse. We will be doing a walking/driving tour so make sure to dress appropriately for the weather.

We'll be busy hanging deer mounts and antlers donated by club member, Dan Wise. Dan donated lots of mounts to decorate the Juniors clubhouse. Most of the mounts came from farms around the club. In fact all are from York County. Many show genetic similarity too. Please make sure to thank Dan.

We also plan to have a Winter Blues activity for February 11 from 1:00 until we are done. In past years we have had fun building bee hives, blue bird houses and duck boxes. If you are interested in helping let me know, [juniors@yorkiwa.org](mailto:juniors@yorkiwa.org)  
**Visit our Junior Page for more information:** <http://www.yorkiwa.org/juniors.html>  
or contact TED AND JEN BELL at 717-246-5787, [juniors@yorkiwa.org](mailto:juniors@yorkiwa.org)

## Trap News

Monday Night Trap Shooting is closed for the 2017 season. We will keep posted when we will re-open for the 2018 season. Anyone who would like to help next year please, [trapdir@yorkiwa.org](mailto:trapdir@yorkiwa.org), or call Chet at 717-870-3004. Visit our club web page at: <http://www.yorkiwa.org/trap.html>.

## Trout News

The IWLA is dedicated the conservation our natural resource. As part of that effort The York Chapter #67 runs a very successful Trout CO-OP. For more information, please contact Duane Kornbaugh at 717-650-8684

## New Members

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.

## Pistol Committee

The weather is not cooperating for our Falling Steel match on Sunday, January 14th so we will be having a Sargent York rifle match instead. This is an offhand rifle match better suited for the frozen ground, and cold. The round count is low and we can spend some time around a burn barrel as needed. For more details check our site at [www.yorkpistol.blogspot.com](http://www.yorkpistol.blogspot.com) a week or so before or email us at [yorksignup@gmail.com](mailto:yorksignup@gmail.com) with questions. There may be a Fun Shoot on January 27th if weather allows.

On Sunday, February 11th, if the weather cooperates we will be having an Egg Shoot, where we shoot steel eggs with 22lr rifles from 10-25 yards offhand, or use 22lr pistols from 7 – 13 yards. This is great fun for the whole family. Again, for more details check our site at [www.yorkpistol.blogspot.com](http://www.yorkpistol.blogspot.com) a week or so before or email us at [yorksignup@gmail.com](mailto:yorksignup@gmail.com) with questions. There is a Fun Shoot scheduled for February 24th, but we will watch the weather and play it by ear.

Sunday, March 11th is the start of our 3 Gun season. See the above paragraphs for contact information of you have questions. Remember all ranges are closed on this day until around 3:00 pm.

In April we will be busy. The 3 Gun match will be on the 8th. The Benchrest rifle guys will be hosting the PA State Benchrest Championship on the 21st. On the 22 we'll be shooting Steel Challenge. Then on the 28th we'll be having a Fun Shoot. Please subscribe to [www.yorkpistol.blogspot.com](http://www.yorkpistol.blogspot.com) to be notified of news and events.

## Other News

**Buildings and Grounds** Our next scheduled work detail will be Saturday, March 18th at 1:00 pm. The first work detail of the year is almost always preparation for mowing which entails picking up sticks and trimming some branches. Saws, loppers, gloves and trucks are the most helpful equipment for the day.

Our April work detail will be Saturday, the 14th at 9:00 am. It's too far out to know what we're doing yet, but you can mark it on your calendars now.

**Orientations** where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2018 will be: Sunday, February 4th at 1:00 pm, Saturday, March 3rd at 1:00 pm, and Saturday, April 7th at 1:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse.

**Club Championship** The club will be hosting the first annual Club Championship on Sunday, July 22nd at 9:00 am. This event, for club members only, will include archery, rifle, pistol and trap events. We're still working on the details, but expect to see more about it in the upcoming months and mark it on your calendars now. If you'd like to get involved with the planning of this please call Howard at 717-586-5561 or email [howard762@gmail.com](mailto:howard762@gmail.com)

**Snow Closing Policy** - Club activities follow the Dallastown School district inclement weather closings. If they are closed, our event is canceled. This applies to day and evening activities, specifically the way the school district does.

**Club Rules** - It is the responsibility of ALL members to enforce the club rules. Particularly on the ranges. If you see someone breaking club rules or doing something stupid say something. It only takes one round leaving the range or accident to get the ranges shut down for all of us.

**Audit Committee** - The audit committee will meet in late February. All committees must deliver their 2017 financial records to the club house office no later than the February open meeting.

**The annual Judge Tobin Award** meeting will be Thursday February 15th at 7pm, and is open to all previous award winners.

## Guns For Sale at February Open Meeting

The Board has decided to sell the remaining firearms that the club owns. There are 8 long guns. 6 were originally bought for use in the Hunter Education program. None have been used in years. Neither the Hunter Ed program nor the Juniors are interested in maintaining or using any of them.

The following long guns will be sold at live auction, at the February open meeting:

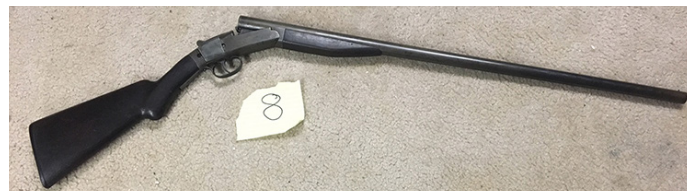

3 ea. Marlin Model 25N .22LR, iron sights.  
1 magazine each. Condition good. Low mileage,  
but some surface rust that has been cleaned up and oiled.  
No pitting. Stocks clean.

3 ea. Maverick Arms Model 88, 12Ga pump shotgun  
Condition good to excellent. Low mileage and clean.

1 ea. Remington Model 572, .22S/L/LR, iron sights pump  
action. Condition fair: High mileage, some surface rust  
that has been cleaned up and oiled. Some wear on stock.

1 ea. Breakopen 12Ga shotgun, with no  
markings but a s/n 8554. Condition poor.  
Some surface rust that has been cleaned up and oiled.  
Would make a nice wall hanger.

### Here is how it will work:

- These guns are available to members and their families only, not to the public.
- All guns will be available for inspection at the January open meeting. If you cannot make it, email me and I will send you more detailed photos.
- If you cannot make it to the February meeting, I will take absentee bids. Tell me your highest bid, by email or phone, by the number shown, and I will bid for you up to that amount. If no bids are that high, you get it for the lower price.

Please feel free to email or call with any questions, comments and bids.
