Meat shares will vary in weekly value. Some weeks will be more than others to accommodate more expensive pieces of meat.

Average values are shown on charts.

Note on CSA VEGETABLE SHARES

Veggie shares can include fruit as well as vegetables.

Note on ALL CSA SHARES

Occasionally non-meat, non-veggie extra's will be in your CSA shares, such as rubs with your meats or new homemade preserves. If you are not okay with that, please make a note on your order form to let us know.

Note on ALL CSA DELIVERIES

WANT TO GET FREE DELIVERY? Delivery is free to drop-off locations with at least 4 CSA's being dropped off. So get 3 of your co-workers or friends to sign up and create your drop-off location and delivery is free!

Note on MONTHLY CLUBS

Our monthly clubs (preserves of the month, soaps of the month) begin the month you sign up for and run for a year from sign up date.

HOG PREORDERS:

If you are interested in pre-ordering a whole hog or a half hog, we sell at \$4/lb. hanging weight. Typical hanging weight would be like 180-250 lbs. We expect our processing dates for pigs in 2018 to be February to August. A \$75 non-refundable deposit is required. Payment due in full by processing date. After receiving your deposit we will give you a call with more details.

FARM SHARES:

Farm Shares go on sale January 1st to May 1st. Shares are sold in increments of \$100. When you are purchasing a farm share you essentially are pre-buying product at a discount. Each Farm Share will get you \$115 in product. You can use this towards anything: meat, veggies or other products. Farm Shares do not expire.
