

2023 RPHSA Sponsorship

Red Pine Horse Show Association continues to experience tremendous growth in the local horse show community. In 2022 we had nearly a 50% increase in membership and more than 25,000 visits to the Red Pine website and social media sites. In 2023 we expect continued growth related to enhancements to our show format and schedule.

The Red Pine Horse Show Association hosts hunter/jumper and dressage shows from May through October. In 2023, there are several opportunities for businesses and individuals to support the loyal group of horse enthusiasts who attend these shows.
