 - c. Continuous membership in high school band is required.
 - d. Disciplinary incidents and/or attendance concerns expressed by the GlenOak HS staff may be cause for exclusion from the selection process.
 - e. Membership: Majorettes are members of the GlenOak Band in grades 9-12 and enrolled for credit both semesters. A Feature Twirler may be chosen based upon the audition requirements as detailed below. To audition for Feature Twirler, the candidate must have been a member of the GlenOak HS Majorette Line for 1 year. We believe the Feature Twirler has the responsibilities of a "Section Leader" therefore needs experience twirling in the GlenOak Marching Band at least 1 year.

II. Solo baton routine.

In addition to the 10 Feature Twirler Skills above, candidates will also prepare an original, solo baton routine showcasing advanced technique which the position of Feature Twirler requires. The routine should be a minimum of 2 minutes in length and no more than 4 minutes, choreographed to the music of your choice. A sound system with the ability to play a CD and/or connect to a MP3 device will be available at the time of audition. Please consult the attached Feature Twirler Routine Scoresheet to understand how your solo performance is scored. You must earn a minimum of 80 points (averaged from all judges) on the Feature Twirler Routine Scoresheet for feature twirler consideration.

III. Teacher recommendations.

Students who are auditioning for Feature Twirler need to indicate that choice on the attached Twirler Audition Agreement. Directors will submit the attached Feature Twirler Recommendation Form to each of your 2nd Semester Teachers from this school year. You must score a minimum of 34/40 possible points from the majority of your teachers submitting recommendations. **Please understand that the position of Feature Twirler goes beyond your ability to be an advanced twirler...we expect Feature Twirlers to be a Leader and Role Model on and off the field.** That is the purpose of the Teacher Recommendations. If the minimum 34/40 is not scored from the majority of your 2nd Semester teachers, you will not be a Feature Twirler.

Feature Twirler Scoring

160/200 Possible points must be achieved for Feature Twirler consideration with the candidate earning the highest score being named Feature Twirler. Multiple Features may be chosen provided the candidates earn a TIE for the highest score of 160 (averaged from all the judges) or above. As mentioned in Part III of the Feature Twirler Audition, the Teacher Recommendation part of the audition process can prevent a candidate from being a Feature Twirler...regardless of the outcome of Parts I & II.

IV. The Audition Process/Misc. Information

- ❖ There are instrumental music memorization requirements for all twirlers which are part of the band grade. This information will be available at the May Marching Band rehearsal.
- ❖ All students are responsible for preparing the audition requirements.
- ❖ Students will pick a number "out of a hat" for their audition order. Students will be known to the judges by their number, and not by name.
- ❖ The band staff member in charge will be responsible for posting audition results at the conclusion of the process. Judges are dismissed once their score sheets are successfully submitted to the band staff member in charge.
- ❖ Students and/or parents who wish to see their own school sheet after audition results are posted may meet with the band staff 24 hours after the audition date by appointment.
- ❖ Uniform Fee Info: PLIMPA will provide a \$100 credit per student when new uniforms are purchased. The remaining amount after the credit will be the responsibility of the student. Uniform design approval rests solely with the GlenOak Band Director Staff.
- ❖ This audition is an entry-point to the majorette line. You will be tested on all routines prior to each show. This process will be the same for majorettes as it is for the instrumentalists and color guard. Students not passing a routine will not perform.
