Engagement Letter for Partnership Tax Return Preparation

This letter is to inform you, the taxpayer, of the services we will provide
Plus the responsibilities you hold - relative to the preparation of your tax returns.

Tax Return Preparation by NewtonCPA

- We will prepare your 2018 federal and state tax returns based on information YOU provide. We will not verify or confirm the accuracy of the information you provide.
- Our preparation **fee includes** a *general review* (not an audit) of your books prior to preparing the return, a “results review” at the conclusion of the preparation, plus a year-end review of your books (limited to no more than 2 hours).
- You must carefully examine the “Draft” or “Review Copy” of the return – to confirm its accuracy – before signing the e-file authorization form.
- **Fees must be paid before the finalized tax return is delivered to you or filed on your behalf.**
- The engagement to prepare your 2018 tax returns terminates upon delivery to you of the completed returns (either by hard copy or electronic copy) plus all original documents, if applicable.
- The tax return preparation **Fee DOES NOT** include the following:
 - 1) bookkeeping services,
 - 2) **auditing services,**
 - 3) Federal and/or state tax authority representation or negotiation – such as amending prior year returns, setting up installment agreements for prior year returns, preparing documents needed in responding to discrepancy notices from the IRS or Departments of Revenue. (IRS rep work is covered under a separate engagement letter and fee structure.)

Taxpayer Responsibilities

- **You must pay your tax liability by March the 15th – regardless of whether an extension has been secured for you. An extension grants an additional 6 months to file your return – but does NOT allow you to pay late. The government will assess penalties and interest for not paying or filing on time!**
- You agree to provide us all income and deductible expense information. If you receive additional Information after we begin processing your returns, you must contact us immediately with the added information to ensure that your completed returns contain all relevant information.
- You affirm that all expenses and deduction amounts are accurate and supported by written records that are in your possession. In some instances, we may ask to review your back-up documentation.
- If you terminate this engagement before completion, you agree to notify us in writing and agree to pay us for any **time and expense recorded** (at our standard hourly rate) during our efforts to prepare your taxes before being notified of your decision to terminate.
- If audited by any federal or state tax authority, you must be able to provide written records of all the itemized figures referenced in your return. Upon request, we can offer guidance concerning what constitutes “acceptable” evidence. (Audit support is covered under a separate engagement letter and fee structure.)
- Please store your supporting documents and copies of your tax returns in a secure place for AT LEAST SEVEN YEARS.
- **Our invoices are payable upon receipt. We charge 10% interest on unpaid balances not paid within 30 days, unless prior arrangements are made. Your tax return will not be filed until the invoice is paid.**
