**WE ELECT REPUBLICANS!**

Republican Women of California—Navajo Canyon is a local political organization, bringing together a team of dynamic women to positively impact the direction of our county, state, and nation.

RWCNC has 2 primary objectives: Political Education and Election of Republican Candidates.

RWC Navajo Canyon strengthens the Republican Party by supporting and advocating the Party's philosophy and initiatives. We provide a forum for women of all ages, ethnicities, and backgrounds to be key players at the political table with local, state, and national issues.

Our club represents central San Diego communities throughout Navajo Canyon Area and East County.

- ◆ Meeting other like-minded conservative women with similar political thought processes and shared values
- ◆ Becoming politically active in the community through Volunteering, attending Events, Fundraisers
- ◆ Helping to Elect Republicans through Campaign activities, Voter Registration
- ◆ Networking with local and state Republican candidates, elected officials and leaders
- ◆ Attending monthly luncheons and obtaining political education and enlightenment
- ◆ Leadership Training

- ◆ Believe the free enterprise system is the key to individual and national prosperity
- ◆ Believe in the importance of the traditional role of the family
- ◆ Involve local government in decision-making process for education
- ◆ Believe the United States operates on a higher moral plane than countries led by dictators
