 - ◆ Spring Sport Pictures
- May 1st**
 - ◆ PREK/KND Registration /No school for Pre-K and K

MATH NIGHT WITH A MOOSICAL

Our annual math night was held on March 24, 2015 in conjunction with the spring book fair family night and the performance of A Barnyard Moosical.

Our Kindergarten, first, and second graders kicked off the evening with their musical performances taking viewers around the barnyard. Immediately following, students and parents participated in games centered around math skills and concepts. Parents received handouts with ideas, sites, and suggestions on how to help their students with math concepts and making math learning fun. Students participating in these games earned tickets that

they exchanged that night for popcorn and a movie, extra recess, and even free dress certificates. We had a packed house with lots of fun for all who attended!

Jamie Rodriguez

CONGRATULATIONS

Congrats sent to Mrs. Andre' Pinion on becoming a certified Food Service Manager.

LYMPHOMA PENNIES FOR PATIENTS FUND RAISER

The Lymphoma Pennies for Patients fund raiser was a success!

Mrs. Hess's 5th grade home-room won the pizza party which will be held this Thursday, April 2. They raised \$150.85!

Thank you all for your generous donations.

April Forbes

WIN A FREE DRESS DAY FOR YOUR KIDS!!!

Parents,

We have an upcoming accreditation, and our school would very much appreciate your help in this process.

There is a PARENT SURVEY on the school website on the PARENT PAGE that we need you to fill out. Once the survey is completed, print the "survey complete" page and return this page with your child's/children's name at the top of the form to be handed in to their homeroom teacher. Your child/children will receive a free dress day on Thursday, April 23 for returning this paper. ALL surveys are due TUESDAY, APRIL 21 to allow us to get tickets to students for Thursday.

We appreciate your support in helping Maurepas School become the best it can be!

SACS Review Team, Bridget Torres & Monica Hutson

JUNIOR HIGH'S FIELD TRIP

The 5th, 6th, 7th, and 8th grades are all going to the **WWII Museum** on **April 21st** for a fabulous tour of **EVERYTHING WWII** and a viewing of the **4-D movie, *Beyond All Boundaries***. Then we will picnic at the New Canal Lighthouse Museum grounds by Lake Pontchartrain and they will provide some science experiments on the tables outside for students to do after they eat. They are doing it for **FREE**, but they will take donations. All donations will go to the **SAVE OUR COAST AND SAVE OUR LAKE FOUNDATION**. The cost for students is \$45 and parents to ride the bus, \$47. For parents driving behind bus, the cost is \$20 entry fee for the museum.

THE NED SHOW VISITED MAUREPAS SCHOOL

Talent Show Auditions
Wednesday, April 1, 2015

After School
Auditorium Stage

The Ned Show came to our school Friday March 27. The school-wide character education program centers around a 45 minute assembly called The Ned Show. NED is a loveable cartoon character whose name is an acronym for Never give up, Encourage others, and Do your best. Teachers love that NED is simple, relatable and kid-focused. After the assembly, educators have access to our extensive collection of resources.

The excitement began with the yo-yo demonstration assembly and continues year round to promote a culture of kindness and excellence at our school

Why Yo-yos? Yo-yos sale creates a way for schools to host The NED Show without using any money from their budget. If a school chooses to participate in the Pay-It-Forward program, they get our assembly and resources for free, and in turn they host a five day Pay-It-Forward sale of NED yo-yos. When families choose to purchase items from that sale, they are not only getting a classic yo-yo with the NED message on it, but they're also helping send The NED Show assembly to the next school!

Yo-Yos will be sold until Easter break in the library.

BOOKFAIR FAMILY NIGHT

Book Fair Family night was once again a success. This year's theme was Under the Sea. Students enjoyed the Paddy the Puffer Fish Lucky Sucker Pull game, while one first grader found a quiet spot to enjoy reading her book. Guessing the number of goldfish games were won by Kade Thacker, Brady Delatte, Brooklyn Reine, Tristan Acosta, and London Kirby. For the curious, there were 179 in the large jar and 37 in the small jar. Mrs. Stilley and Mrs. Hess would like to thank all of the students and their family members who came out for our after school event as well as for all who have supported us throughout the week. Proceeds from the book fair go to the library club and yearbook.

Lori Hess

Maurepas Has Talent!
Thursday, April 30, 2015

Maurepas Auditorium
6:00 P.M.
