MAN  
INSTANT ENERGY  
AFTER SHAVE

MAN INSTANT ENERGY AFTER SHAVE is a smooth, film forming lotion with a high hydrating potential.

The formulation is devoid of perfume. The pleasant perceivable note is due to the content of Zanthalene®, which adds a characteristic fragrance to perfume-free formulations.

From Indena, it contains:

**ZANTHALENE®:** lenitive and soothing, Zanthalene® contains specific molecules providing an immediate reduction of itch and skin discomfort of various origin.

**XILOGEL®:** highly characterized polysaccharide obtained from the seeds of *Tamarindus indica*, has strong hydrating properties. Film forming, endows the formulation with peculiar smooth and silky touch.

**ASIATICOSIDE:** pure molecule obtained from *Centella asiatica*, it promotes collagen synthesis and helps the skin find a better connectival architecture.
