SCRFI Pres. Kit Burton receives a generous \$1,700 donation from E.Clampus Vitus

**Thanks to the hard work of our members, volunteers, and groups like E. Clampus Vitus, we're making headway on the porch foundation project. We need a donation of 400 concrete blocks plus #4 re-bar.**

*If you're interested in helping build, donating materials, or volunteering contact Kit at (530) 743-0413 or Kathy at (916) 838-2757.*

Our fifth annual Pioneer Day was another success. Supporting the community and the restoration work of the historic Catholic Church brings together a large, congenial group. If you attended last April 28<sup>th</sup>, you were treated to tours to the Blue Point mine and Sucker Flat, Timbuctoo, and the church interior, There were fine craft and food vendors, stage entertainment, historic characters, informational booths and children's activities. Antique tractors, a firetruck, and engines were on display. Smartsville and Timbuctoo descendants visited and exchanged family stories. If you missed it this year, put it on your calendar for next year, and look for other community events SCRFI sponsors. Check out our webpage for updates.
