Ties for Championships and Reserves

In the event there is a tie in a Hunter Division, the Championship will be awarded to the animal with the highest number of points in the Over Fences Classes. If a tie still exists, the two that are tied will return to the ring and be shown at a walk/trot/canter and will be counted as an independent under saddle class. If one of the tied competitors does not want to hack or has left the show grounds, the remaining competitor will receive the award by forfeit. If neither of the competitors wants to hack, the tie may be decided by a coin toss.

For Pleasure Divisions, the two competitors that are tied will return to the ring and be shown at a walk/trot/canter and will be counted as an independent under saddle class. If one of the tied competitors does not want to hack or has left the show grounds, the remaining competitor will receive the award by forfeit. If neither of the competitors wants to hack, the tie may be decided by a coin toss.

Snowflake Series Awards

To be considered for Snowflake Horse Show Series End Awards, both the rider and/or horse must earn points in a division at a minimum of 3 horse shows.

The Show Secretary will review the judges' cards for the class results in question. If an error is discovered, the points will be corrected. **Any discrepancies must be reported within 30 days after the points have been posted on the website. After 30 days, posted points will become final.**

Age Requirements

For all MHSA Regional Classes and Divisions, competition age of the rider is based on their age as of December 1, 2016, per the MHSA Regional Guidelines. Because the Snowflake Series runs from September through March, there may be some confusion as to if a rider eligible for certain classes and divisions. For example, if a rider turned 10 on or before December 1, 2016 they may compete in the Short Stirrup Equitation Division in September, and October. However, if they have turned 11 before December 1, 2017 the rider will not be eligible to compete in that division for the remainder of the Snowflake Series Season. Their points will still count towards the Series End Awards for the Snowflake Awards.

For all unrated Snowflake Classes and Divisions, competition age of the rider is based on their age as of September 1, 2017. This will allow riders to accumulate points for the entire show season in those classes and divisions.

Please do not hesitate to ask the Show Secretary (Tara Ellis) or one of the Show Managers (Kristie Naughton and Katie Dykes) if you have any questions.

Coggins/Health Requirements

To meet Maryland Coggins test requirements, an exhibitor must provide at each show or have on file with the Horse Show Office, a negative Coggins test dated within one year of the competition dates for each horse show. Any horse not in compliance will be asked to leave the show grounds. It is the responsibility of the exhibitors to make sure the Coggins is submitted with their entry forms. Please bring a copy of your current negative Coggins for the Horse Show Office to keep on file.

All horses entering the show grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the show grounds. Horses not in compliance with this rule will be required to leave the competition grounds. Please bring a copy of your current vaccination records for the Horse Show Office to keep on file.

Stalls

Overnight season stalls are available for \$250 for the season. This includes Friday night schooling. Overnight stalls are available to rent for \$50/nt per show. Day stalls are available to rent for \$35/day per show. Arrangements must be made when submitting your entries. The fee does not include hay or shaving. Hay and shavings may be purchased through the Horse Show Office.

Pets

All dogs must be on a leash, no longer than 6 feet and attached to a human. Owners of free-running or unattended dogs will receive a warning. Repeated offenses may result in a fine of \$50.

Measurement Cards

If you are planning to show in any MHSA rated pony divisions, you must possess a valid measurement card or copy of a valid measurement form to be presented to the Show Secretary. Numbers will not be issued before this requirement has been met. Measurements can be done at each show prior to the start of the first class. Please notify the Show Secretary in advance if you would like to have a pony measured. If you are planning to show in only unrated Snowflake Series Divisions, you do not need to provide a pony measurement card, unless the proof of size eligibility is challenged.

Schooling

Friday Evening Schooling (2:00pm-8:00pm)

- Both rings will be available for schooling.
- No lunging is allowed in rings.
- **The cost for schooling Friday night is \$20 (if you do not have a stall).**

Schooling Round Over Fences

Unjudged schooling rounds are for any rider who wishes to warm up over fences just prior to their class. One schooling round per entry, per ring is allowed. Show management reserves the right to limit the number of fences jumped in Unjudged Schooling Rounds. Judge must be informed of a rider's intent to complete an unjudged schooling round **before** entering the ring. Failure to do so may result in entry being disqualified from the class for which the warm-up precedes.
