Havoc Games

The Havoc 2023 team is playing in the upcoming Cap City tournament on January 19th. The 2024 team most recently played in a January 5th tournament in some tight games. The 2025 and 2026 teams are playing at Rockits and are starting to come together as a team.

Havoc Cares

Havoc Cares Holiday Drive at the Hanover Safe Place

A Note From Havoc Cares Coordinator Sandy Fisher:

"Thank you all for your tremendous support of the Hanover Safe Place client family we have collected donations for. We collected over \$1,800 in donated items filling Danielle School's van and my SUV. It is my hope that the family has a wonderful Christmas made possible by you all and your generosity. Havoc donations were dropped off this morning and will go to the parent this week."

Attached below is the thank you note from both the Hanover Safe House and the recipient of our generosity. Thanks again for everyone's support and to Sandy Fisher and Danielle Schools for making this all happen!!

Havoc Spirit Wear

The spirit wear is in! I apologize for all of the inconveniences of this order. The company we used were flawless last season, but as I understand it, they had some warehouse staff changes that has caused us some problems. If you have not sent me your order invoice, please do so. The items came without a packing list so I need to know who ordered what. I will deliver the items on our next Sunday practice. Thanks for your patience.

Skills Clinics

We will have Skills Clinics periodically throughout the next couple of months. Once we reach March, they will become more consistent on Wednesday at Stonewall. The weather, the High School basketball season, and the need to use our Skills Clinic night for our teams extra practice night has caused fewer skills clinics than desired. It is our commitment to bring you as many as we possibly can over the rest of the season.

Chipotle Spirit Night

Havoc will have its first Spirit Night at the new Chipotle in Mechanicsville on February 9th from 4-8pm. Please print and hand out the attached flyer to all of your friends and family to come and support Havoc Girls Basketball. As most of you know, Havoc does not make money from it's families. All of the money needed for coaches traveling, supplies, hardship cases, etc. comes from events like these. Please print out or show the cashier the flyer on your visit. Thanks to Jessica Bennett for her hard work in putting this all together.

Randolph Macon Welcomed Havoc on January 5th

The Randolph Macon Yellow Jackets welcomed Havoc on their January 5th, 73-41 win versus Ferrum. Great chance for the Havoc girls to see some local college basketball.
