Whether it's a promotion within your organization or a lateral move, a lot is at stake. The first 90 days set the stage for your leadership. Learn how to show up confident and ready to get started. Whether you are an HR professional looking to provide guidance to new hires or those changing roles in your organization, or anyone who is seeking or in a new leadership position.

Learn how to:

- Create your intention for the role
- Draft learning objectives and identify relationships to build
- Develop a roadmap and share your priorities

Dawn asks you to come ready to share, meet others, and learn from one another in this interactive session.

Event cost is \$22 for members and \$25 for non-members (cost includes dinner). Please RSVP by Sunday, August 9th by one of the following methods:
