## Winter Tracking Saturday, January 21, 2023 10:00am-11:30am Meet at visitor center

Join Kyla Bennett and the park staff for a winter tracking walk. On the hike we will look for signs of wildlife (e.g. animal tracks). Meet at visitor center. Children must be accompanied by an adult. Entire duration of the program will take place outside, dress for the weather. Inclement weather and icy trails will cancel. To check status of this winter hike, please call Borderland at 508-238- 6566.

This program is sponsored by DCR and the Friends of Borderland. Program is free and open to the public.
