Canada COVID Requirements: Note: These may change so please check their website. At this time Canada requires that all incoming travelers be fully vaccinated with proof of vaccination. *In addition to* carrying your Proof of Vaccination certificate, you must upload your proof of vaccination to their government website (<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19/arrivecan.html>) within 72 hours of arrival. You must answer their questions on the website, and be tested for COVID prior to boarding the plane.

Returning to the US: Please check the government website. The website lists that all passengers must show a negative COVID test certificate before boarding the flight, but there are also sites that list no requirements for passengers returning to the US.
