Sugar Skull Painting

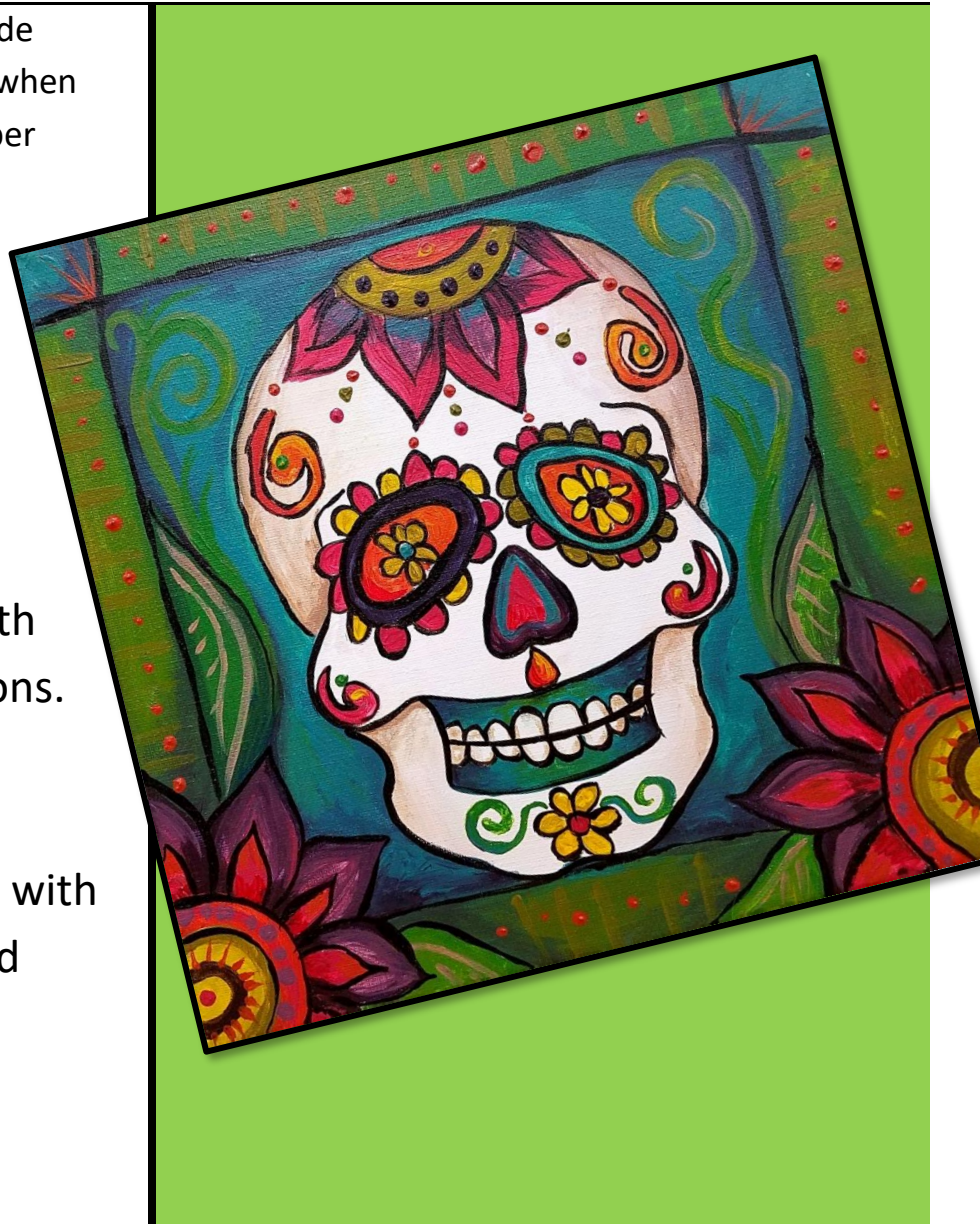

The annual Mexican celebration, Día de Muertos (Day of the Dead), is a time when families gather to honor and remember deceased loved ones. The sugar skull represents a departed soul, in a folk art style of big happy smiles.

Come create your very own version of this really cool painting! I'll get you going with a detailed stencil and directions. This is not a guided painting, with constant directions, so you can bring a friend to visit with while painting. Bring food and drinks, too!
