

Modern Slavery and Human Trafficking Policy Statement

July 2018
(Review Date July 2019)

POLICY STATEMENT

Modern slavery is a crime and a gross violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain. TMP College have a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and control to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

TMP College is also committed to ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our obligations in the Modern Slavery Act 2015. We expect the same high standards from all our students, contractors and other business partners. We include specific prohibitions against the use of forced, compulsory or trafficked labour, or anyone held in slavery or servitude, and expect our suppliers will hold their suppliers to the same high standards.

This policy applies to all persons working for TMP College or on behalf of TMP College in any capacity, including all employees, the Director, agency workers, contractors and consultants.

LINKS TO OTHER POLICIES

TMP College is committed to acquiring goods and services for its use without causing harm to others. We will make reasonable endeavours to ensure all employees and agents within our supply chains are not subject to any form of forced, compulsory/bonded labour or human trafficking and that they are paid in line with the national minimum wage.

All members of staff have a personal responsibility for the successful prevention of slavery and human trafficking with the Executive Leadership Team taking responsibility for overall compliance.

The following Policies and Procedures support the organisation's compliance with the Act:

- Equality Strategy
- Disclosure Policy
- Grievance Policy
- Whistleblowing Policy
- Anti-bribery policy

AIMS AND PRINCIPLES

TMP College provides a zero tolerance to slavery and human trafficking. We expect all those in our supply chain and contractors comply with our values.

As part of our initiative to identify and mitigate the risks of modern slavery occurring in any part of our services, we will adopt due diligence processes that are proportionate to any risk areas identified (dependent on the severity of the risk and other relevant factors). These processes will be subject to on-going assessment and review.

In our supply chains, the college has identified the following business areas as carrying material risks of modern slavery occurring:

- Recruitment
- Security Services
- Food & Catering Services
- Construction
- Cleaning
- Stationary and Office Equipment
- Clothing (work wear)

When procuring any types of goods or services, TMP College requires any potential third party suppliers to evidence that they operate an appropriate level of corporate social responsibility during any tendering and selection process.

Any supplier or potential supplier identified as not complying with the Modern Slavery Act 2015, or the college's own policies and procedures, will be removed from the college's list of suppliers and will not be considered for future supply to the college unless they can demonstrate that these compliance requirements are met.
