

## **SOUTH TEXAS SEW-CIETY**

### **NEWS FOR JUNE 2016**

Our next meeting will be Thursday, June 2, 2016 at the First Presbyterian Church located at 430 South Carancahua. Doors open at 9:30 a.m. and the meeting begins at 10 a.m.

**JUNE PROGRAM:** Sew-Ciety is looking forward to a feast for the eyes at our June meeting. Nancy Maggard will be our guest speaker and will display many of her innovative creations. I sent out an email yesterday to provide more details about the program. Needless to say, this is a great opportunity to bring a guest who is interested in sewing or just seeing beautiful, unique garments. Now, who doesn't like to look at pretty clothes?

**JULY AT SEW-CIETY:** It's time to search through our closets and find those projects we just have not had time to finish. We call it Adios UFO's. We will bring our sewing machines and work on special projects while enjoying each others' company. This is a one day retreat sort of program and one which has always been very popular. So, plan to join the fun in July at Adios UFO's.

**FUND RAISING:** You will be hearing more from Janice Malone about how we raise the money for all our fun activities, but here is your Heads Up. Start thinking of items you can make or purchase to donate to our annual (only once each year) fundraiser which will be held in November. We are working on a wish list of items that sold well in the past and those that did not. Maybe a light will come on when you see the list and you can get inspired early. We need everyone's participation for this event to be successful.

**MINI-QUILT, ETC. SHOW:** At the fundraiser in November, we will have a display of quilts and home dec items made by our members. This display will showcase talents that were not presented at our May Style Show when we concentrated on wearables. Start working on your entry now and beat the last minutes rush!

**REFRESHMENTS:** If your last name begins with H, I, or J, please bring snacks to share. Thanks for remembering.

**COMMUNITY OUTREACH:** Ida Hansen will be presenting a proposal to us for a very worthwhile service project for Sew-Ciety. Come and find out what you can do to give back to our community.

**BAG LADIES, QUILTING QUEENS, GARMENT CONSTRUCTION DIVAS,** and **OUTREACH ANGELS** will meet Thursday afternoon following our regular program. Each group will follow their special interests.

I received a note from Barbara Paul who recently underwent surgery for breast cancer. Barbara is doing well and is very appreciative of all the cards and good wishes she received from Sew-Ciety. Thank you all for getting in touch with Barbara.

Do you ever feel as if you are forgetting something important? Well, that is the feeling I have now. Therefore, expect to hear from me again when I remember that one little important item.

Until then,

Sharon Davis
