

# THE MAINSTREAM

## Reminders:

### Fairfax County Leaf Collection

The signs posting the leaf pick up dates aren't posted yet. Please refrain from putting loose leaves at the curb until a few days before they will be picked up.

### Trash Cans

Trash cans need to be taken off the street the same day as trash pickup and should not be put out until the evening before.

### Safety

Before turning in at night, double check that your car is locked and your garage door closed. These simple steps will help deter possible crime from your property and our neighborhood.

Thank you!

## OH DEER! DEER MANAGEMENT UNDERWAY

Please be mindful when out & about in the Folly Lick stream area and other Fairfax County Parks that the Fairfax County Deer Management program is underway **September 10, 2016- February 25, 2017**. Stay safe and stay on the trail.

Archery Groups are permitted to conduct deer management at their assigned site Monday through Saturday during the Archery Program Season. Legal hunting hours in Virginia are 30 minutes prior to sunrise until 30 minutes after sunset. Sunday hunting is not allowed in the parks.

Archery is the primary deer management tool used in Fairfax County to help manage high density deer herds. Archery has been shown to be a safe and effective deer management tool to control deer populations on public lands in Fairfax County and other high-density jurisdictions. Qualified bowhunters with superior skill, ethics, and experience are able to efficiently and discreetly hunt deer in areas where firearm use is restricted or prohibited, or not an effective or sustainable deer management tool. Authorized archery hunting activity in Fairfax County Park Authority and Northern Virginia Regional Park Authority properties is closely monitored by the Fairfax County Police Department with the assistance from the Park Authorities. Since Virginia began tracking hunting injuries in 1959, no bystanders have been injured by an archer hunting deer anywhere in the Commonwealth.

## POOL WRAP UP

### DOG SWIM:

On Sunday, September 11, 2016 we hosted the annual Hiddenbrook Pool dog swim. Approximately forty (40) quadrupeds and their bipedal owners participated, as well as several families who just came to cheer on the top swimmers. We had first-timers and old pros running and leaping into the pool. Several pooches decided the shallow wading pool was more their speed and just hung out for the hour. Kids really enjoyed interacting with the dogs and very few folks left dry.

We had a few barkers in the bunch and only one escapee, so overall, a great success. I received several compliments on how nice this event is and that it is "quality" "free" entertainment. A few recommended that the sign I posted in my yard at the corner of Hiddenbrook and Millikens Bend have a note about collecting donations for next year. However, the number one question was, "How do you get all of that dog hair out of the pool?!?"

Once again, we collected donations for the local animal shelter. We collected a dozen cotton towels, 7 cans of cat food, 1 bag of dog food, and \$150 in cash donations! Several families took a copy of the flyer from Fairfax County Animal Shelter to make donations later.

Special shout-out to the pool staff for transitioning the pool deck into a dog park immediately after closing. Also special thanks to Marcel vanVierssen and Pam Spencer who kept an eye on things at the deep end.
