

Great Lakes Kiln Drying Association

2017 FALL MEETING

October 12-13, 2017

Kemp Natural Resources Station

9161 Kemp Road

Woodruff, WI

You are invited to attend Great Lakes Kiln Drying Association's 2017 Fall Meeting!

I would like to invite you to attend the Great Lakes Kiln Drying Association's 2017 Fall Meeting at UW Kemp Natural Resources Station in Woodruff, WI. This year's Fall Meeting will offer an exciting opportunity to experience and stay in a rustic log lodge on the shores of beautiful Lake Tomahawk. We encourage you to join us for this unique experience by staying on-site at an affordable rate.

On Thursday Oct. 12th we will spend the day touring some great places in the beautiful Wisconsin's Northwood's. In the morning, we will visit Packaging Corp. of America in Tomahawk, followed by Pukall Lumber in Arbor Vitae. After we enjoy lunch, we will have the unique opportunity to visit Lake Nokomis Cranberries in Eagle River. Following the tour, we will all gather for "Stress Relief" at Kemp Station to catch up with friends, colleagues, and our meeting sponsors. Friday will feature several informative topics related to the lumber industry and forestry across the Northwoods. Speakers include Scott Bowe who will discuss Kemp Station and its history and role in natural resources management. In addition, Dr. Omar Espinoza will highlight his research on thermally modified wood markets in the US.

The Fall Meeting is a great opportunity for members and prospective members to network and learn about each other's businesses and new things happening in our industry. We look forward to seeing you in October!

John Gehringer
GLKDA President
