

CAR NUMBER INFO 2024

GENERAL INFO

Car numbers must be substantial in size, appearing on both sides of the car and if it is a class with a roof, on there as well. Divisions with a front windshield shall have a 6" white car number in top corner of the passenger side for race lineup purposes.

The car number must contrast from its background color (light vs dark) and be clearly visible from the other side of the track. It must be in a font EASILY READABLE . It is VERY IMPORTANT that FANS (in person and on pay-per-view) AND STAFF can clearly read and CLEARLY DISTINGUISH your car number AT A RESONABLE DISTANCE from other cars.

2024 REGISTRATION & RENEWALS

- ✓ 2024 car number registration is MANDATORY for ALL cars in our 8 point divisions and Modifieds BEFORE going on track. This includes cars joining us from out of town to race in these divisions. Registration forms are available online to print and fill out or at the track.
- ✓ A 2024 driver or whoever the money goes to W-9 is required to be filled out for divisions that receive prize money. A driver's money will NOT be paid out until this is fully completed.
- ✓ **Number renewals are available.** Until and thru March 16th, car numbers can be renewed by drivers who competed at 50% or more of their division's events in 2023 (see list below for those eligible). Starting March 23rd those renewal eligible numbers will be open to everyone.
