"I am glad to recommend the GelPro Elite mat"

After having hip replacement, standing at the kitchen sink was difficult. I ordered a GelPro Elite mat, and it was a great help. The mat was so satisfactory that I ordered a second one to place by the counter where I prepare food. I will never be without one. Thanks!"

GelPro customer

★★★★★ 5 out of 5 stars.

Designer Top Surface ①

GelPro's Proprietary Gel ②

Energy-Return Foam ③

Non-Slip Bottom Surface ④

① Designer Top Surface

- Stain-resistant, waterproof & easy-to-clean
- Beveled edges help prevent tripping
- Reinforced, no-curl edges

② GelPro's Proprietary Gel

- Properly conforms to the shape of your foot
- Cradles feet, equalizing balance
- Offers maximum support and stability
- Releases a cooling, soothing effect

③ Energy-Return Foam

- Serves as a base of springy cushion that never bottoms out
- Creates a barrier to stressful impact and related soreness

④ Non-Slip Bottom Surface

- Anti-microbial properties for added protection on the mat
- Keeps mat safely in place
- Certified by the National Floor Safety Institute
