President's Piece

August 2017

Dear SBOC Members, Friends and Colleagues:

First of all, I hope you are having a great summer. As we work through one of the busiest times of the year, I encourage you to occasionally take time out of your busy day / schedule to enjoy the beauty of life – if even for a brief moment.

Please note that there will not be a 'regular' Luncheon Membership Meeting & Seminar in August and September due to two special SBOC events.

- This month, we have our Annual Golf Outing on **Friday, August 18th**. We still have a couple of open Tee-Times, so please RSVP as soon as possible if you would like to attend. The Golf outing flyer and event details are attached to this newsletter.
- Next month, on **Thursday, September 28th**, we are having a Field Trip to Dukane Precast in Naperville. ***Please note that this meeting is the 'fourth', or last Thursday in September, not the 'third' Thursday.*** Our luncheon will be at the Two Brothers Roundhouse in Aurora. We will meet at the Roundhouse and be transported, by bus, to a precast facility and returned there at the end of the day's events. Complete details shall be distributed in a flyer very soon. The attendance will be limited to forty (40) persons, so please watch for our flyer and RSVP as soon as you can. A flyer and RSVP instructions will be forthcoming. We hope to see you there.

Our regular Luncheon Membership Meetings & Seminars will resume on October 19th, right back at Buca di Beppo in Lombard. We have a great topic 'Cold Weather Concrete' in the works. Please look for additional details in the September newsletter.

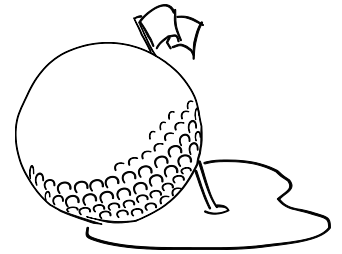

As always you can keep up-to-date by visiting our website, www.sbo-7.com, where you can obtain a plethora of information including membership meeting information, training opportunities and other important announcements.

Lastly, "Volunteerism" is a vital part of the SBOC organization. If you've ever considered serving on the SBOC Board of Directors, now is a perfect time to reach out to a current Board Member and let them know. There may be some open positions for the 2018 Board. We are always looking for additional input, and we can always use a bit more help with various events and issues throughout the year. Many past Board Members have stated that it is a very rewarding experience. Keep in mind that – "yes", your voice and your thoughts can be heard! Who else would like to pitch in?

Sincerely,

Roy Giuntoli

SBOC President 2017
