DCM Report

Greetings all! April is here already, a friendly reminder that our District meeting will be next Sunday, April 8th at the Two Four Club in New Braunfels. We had a busy and productive month of March. The finance subcommittee met and we discussed our finances and presented ideas where to put our money. Some good ideas were brought up - PI/CPC luncheon, Austin/San Antonio Intergroups are both in need of donations, contributions to State Conferences another possibility. We also learned that we still owe Area 68 a sizable money amount from last fall's assembly. It should be in the ball park of \$1,100-\$1,500. Casey has also worked with Tony and produced an accurate number for the years spending. All this can be taken into account and we can discuss financial options next week.

The Kerrville Pre-General Assembly went great! District 2 was well represented with 8 GSR's and DCM! 9 voting members! Awesome and way to go y'all! Lots of information was discussed, a mock assembly occurred and we were able to collectively give our Delegate Jonathan our groups Conscious for his big GSO week on the 19 proposals he will be working on with the other Delegates and voting members. At our assembly, we voted on our two proposals-the Area Archivist proposal was rejected while the proposal to add Accessibility's as it's own Area committee passed. Final voting on that issue will occur in October. We'll discuss this and more next week. Be well and see y'all on the 8th!

Your friend in service,

Step 4: " Made a searching and fearless moral inventory of ourselves."

This step is linked to the Spiritual Principle of **COURAGE** – Firmness of mind and will in the face of extreme difficulty; mental or moral strength to withstand fear.

The Fourth Step is our first action step towards physical and emotional sobriety.

We are in a process to recreate our lives. We made a decision to give up *our old plans for living* and to try A.A.'s 12 Step Plan for Living. The Fourth Step is where we determine whether or not we really took Steps 1, 2 and 3.

Step Four is a fact-finding and fact-facing process. We are searching for "causes and conditions." We want to uncover the truth about ourselves. We want to discover the attitudes, thoughts, beliefs, fears, actions, behaviors, and the behavior patterns - that have been blocking us, causing us problems and causing our need to remove our mind from reality.

We want to learn the exact nature our "character defects" and what causes us to do the unacceptable things we do - so that once they are removed - we can acquire and live with new attitudes, thoughts, beliefs, actions and behaviors for our highest good, and for the highest good of those with whom we come in contact. This prepares us to live a life of purpose -

where we can be in maximum fit condition to be of service to others.
