## Grant Application Regulations

### Application by a Group

Limited funds are available each year to promote the education or development of young people in Finedon aged up to and including 19. Grant applications will be considered under the following conditions:

1. The Group must primarily serve the needs of young people aged 19 or under and be based in and operate in Finedon.
2. Applicants should complete and submit the application form and all relevant supporting documents, namely the Constitution and Aims of the Group.
3. Funding is available for the **education or development** of young people, so applicants must explain what they intend to use the grant for and how it will support the education or development of the young people of Finedon.
4. Applications will be considered twice yearly and should be received by 15<sup>th</sup> January for consideration by the end of February and 15<sup>th</sup> June for consideration by the end of July. Applicants will normally be notified within 14 days of the decision.
5. The Chair and one other office holder (or such other staff/governors as requested by us) may be asked to attend an interview with a Trustee/Trustees of the Finedon Educational Charity, or to provide further information.
6. The decision of the Finedon Educational Charity shall be final in all instances.
7. Grants to successful applicants will be made in accordance with Finedon Educational Charity's grant terms and conditions for a group.
