

Effective Supervisory Skills

A great leader inspires others to find confidence in themselves.

“ I start with
the premise
that the function
of leadership is
to produce more
leaders, not more
followers.”
-Ralph Nader

Understanding the Role of the Supervisor

Supervisors play a key role in any organization. They are responsible for creating a link between upper management and front-line employees, and have a dramatic impact on employee performance and behavior.

In this full day program your supervisors will gain an understanding of their role in the organization, acquire knowledge of the legal issues and liabilities facing supervisors. Afterward, they will have a desire to develop more effective supervisory skills and leadership competencies.
