Take some time to think about these questions. You can jot notes, journal, or simply ponder your responses.

- 1. What have I accomplished this week that I committed to accomplishing (my homework)?
- 2. What positive feelings or aspects arose as a result of accomplishing these things?
- 3. What challenges did I face in trying to do the assignments?
- 4. What do I want to focus on for my next session?
- 5. Overall, how I am feeling?
