The purpose of this study is to ascertain the pattern of Lunar Tetrads since Christ as it relates to Israel's prophetic history during these specific periods. Many believe that 1948, the year of Israel's declared statehood is dramatically marking-off one of the most significant prophetic events in modern history. As it pertains to the possible convergence of Biblical prophecy, the period of 2015 in particular could be the start of the eventual fulfillment of the Last 7-Year period 'Week of Weeks' prophesied by the Prophet Daniel. This is only as some interpret End-Times scenarios and of Jesus Christ's 2nd Coming thereafter - "the Stone" - that was rejected by Israel. Christ's Return is prophesied to occur during the last world government that will be in place.

Perhaps these Tetrad patterns and their historical corresponding events foreshadow the "Final Countdown". Based on the prior patterns, the Tetrad of 2014-15 might see Israel build the 3rd Jewish Temple, then go through similar intense persecution soon thereafter and the return of the Messiah, Jesus Christ. There are a total of 8 Tetrads, depending on the count since Christ pertaining specifically to Israel's history that fall on consecutive YHVH's Feasts of Passover and Sukkot. There are and have been Tetrads in other times, but these noted ones have corresponded to key historical events of significance for Israel. The number 8 represents the over and above perfect completion, the first of a new series, thus New Beginnings. It is associated with Resurrection and Transformation. The Bible declares that Jesus Christ rose from the dead on 'the first day of the week,' or the 8th day.

It signifies the beginning of a New Era or Order or like with Noah when 8 Souls passed through to the New World after the Flood. Noah, the 8th person stepped out on to a New Earth to commence a New Age. Perhaps the Tetrad of 2014-15 will see the fulfillment of the 3rd Temple and the long awaited 'New World Order' that those in power in the world will see to its completion through the economic, military and religious conglomeration of the world. Many End-Time Bible scholars speculate that these Lunar Tetrads configure a prophetic pattern related to Israel's destiny.

The hypothesis of this study suggests that the modern establishment of Israel in 1948 started this 'countdown' to the 3rd Temple. The Tetrad of 1949-50 allowed for the sovereign nation of Israel to officially take up a United Nation's Seat on November 5, 1949. After the Six-Day War of 1967, Israel re-captured the Old City of Jerusalem that included the Temple Mount; for the first time since AD 70. The Tetrad of 1967-68 saw the acquisition of Jerusalem to be the capital of Israel thereafter. What is to follow is the rebuilding of the 3rd Temple that the Tetrad of 2014-15 may signify.

Prophetic Patterns

This pattern of Land-City-Temple mirrors the order in which, according to the Old Testament, Israel's 2 prior judgments occurred. The Temple was destroyed first, then the city and then the Diaspora occurred due to the rejection of the LORD's Prophets and chastisement. The 3rd and final exile, due to the rejection of Jesus as Messiah, as described by Jesus Christ in the Olivet Discourse in Luke 12 occurred on the 9th of Av when the Romans destroyed the Temple, City and exiled Israel amongst the nations of the world in 70 AD.

The Lunar Tetrads since Christ on a timeline reveal a unique pattern of years as each occurrence happens to fall on major Hebrew Feast dates. Upon further investigation of the Tetrad prophetic pattern, it appears that the 8 Tetrads since Christ are configured in a phi ratio relationship to each other. This geometric relationship occurs when 2 quantities have a ratio the same as the ratio of their sum to the larger of the two quantities. This math principle can be depicted in the tiling of squares whose side lengths correspond to the Fibonacci sequence: 1, 1, 2, 3, 5, 8, 13, 21, and 34, etc.

A golden spiral will be created by drawing circular arcs connecting the opposite corners of the squares. The phi ratio is also called the golden section, the golden mean, the divine proportion or the divine section. A Mirrored Pattern emerges when one lines up the first 4 with the last 4 Tetrads. This line-up shows the 'mirroring' of the '19' and '48' year span pattern between the Tetrad clusters from 795-860 to the 1949-2014 Tetrad cluster by rounding off to nearest year.

|---|---|
| 162 Tetrad...then 162 Tetrad + 633 years | = 1493 Tetrad...then 1493 + 456 years |
| = 795 Tetrad...then 795 Tetrad + 48 years | = 1949 Tetrad...then 1949 + 19 years to |
| = 843 Tetrad...then 842 Tetrad + 19 years (1y overlap) | = 1968 Tetrad...then 1967 + 48 years to |
| = 861 Tetrad...then 860 Tetrad + 633 years (1y overlap) | = 2015 Tetrad |

1. From Oct 3, 795 Tetrad to Sep 12, 843 Tetrad = 47y 11m 9d

2. From Apr 24, 1967 Tetrad to Apr 04, 2015 Tetrad = 47y 11m 11d (11-11))

The count is based on the solar 365 day cycle. The Tetrad from 795 to 1949 approximates a phi ratio as the 3 Tetrad clusters of 795-842-860 and 1949-1967-2014. The span of years has a unique '1948' designation that repeats and corresponds to the years from AD 70 to 2018 and the year that Israel became a nation on May 14, 1948. There are 175 Sabbaths from 795AD to 2015AD. The clusters of the last Tetrads of 795-96, to the 1948 Tetrad appear to be 'bookends'.

What is very unique about the prophetic Tetrad pattern is that the Tetrad clusters are equally counted off by a 19 and 48* (47y 11m 9d) years interval "1948" approximately on 2 occasions. There is also a double '633' year count repeating exactly and 1089 year count, which is 33 squared. The following are the prophetic impact that this study suggests the Tetrads signaled for Israel.

ROME: Imperial persecutions

The destruction of the Jewish Temple in AD 70 marked the beginning of the 3rd Diaspora, or exile of the Jewish among the Nations, not to be re-gathered until the End Times for the last 70th Year Generation.

ARABIA: Islamic Conquest

Advent of a "Muslim" faith heralding the 'true' revelation of the One God seeks to eradicate ancient Jewish and Christian communities as it denies the basic tenants of established Judeo-Christianity, the Cross and Jesus Christ as SON of GOD.

SPAIN: Roman Catholicism

The Re-Conquest of Iberia from the Moors and emergence as a world Super-Power led to the expulsion of the Jews from Spain and ushered in a dark time of The Inquisition against Christians and Jews.

GERMANY: Holocaust

The Nazi Party sought to exterminate the Jewish Nation during World War 2 by way of the 'Final Solution' – Holocaust

As the seasons of Tetrads concerning Israel have been marred by tribulation, persecution, slaughter, war and exile of the Jewish Nation, perhaps the end of the 2014-15 will also see a time of strife, war and a coming persecution involving Israel. The Jewish Nation was last in existence 1948 years from 70 AD to 2018 as many believe it is now the time of the End of Days.

From the year of Israel's statehood of 1948, the year 2018 will mark the 70th year anniversary coincidentally. Many believe that the following years will mark the convergence and fulfillment of Daniel's 70th Week that involved the 3rd Temple and culminates with the return of Jesus Christ.
