

Swim Lesson

Scholarship Contest 2018

- ClubSport San Jose is offering a Swim Scholarship program to the Baldwin Elementary School community, for those students that are interested in taking swim lessons. ClubSport San Jose is a high-end fitness facility, located just 1.5 miles east of the 101/Blossom Hill Rd intersection, adjacent to the Silver Creek Sports Plex, via Hellyer Avenue. We offer a shallow, lesson pool heated to 90 degrees for enjoyable year-round swimming.
- Please write a short story on why you would be interested in learning to swim. All short story entries must be turned into the Baldwin Elementary School front office by Friday, March 23, 2018.
- 3 Grand Prize winners will be selected by the ClubSport team on Saturday, April 14, 2018 at 1:00pm at ClubSport. Other goodies will be raffled off!
- Swimming lessons take place once a week, for 30 min, over a 16 week period. We are offering this Scholarship opportunity to 3 students a year at Baldwin Elementary. Each student will receive 16 weeks of instruction. Lessons are offered after school Monday through Friday and morning to mid-afternoon on the weekend. We will work with the Scholarship recipient to find a convenient time for lessons.

Did you know? Drowning is the leading cause of death for infants and young children between the ages of 1-4 and is the second-leading cause of unintentional deaths in children ages 1-14 years. (U.S. Centers for Disease Control and Prevention, 2007).
