New Year's Fun Run!

Join us for the first agility fun run of 2017!

What's an AC-ME Fun Run?

Agility Central of Maine is dedicated to promoting dog sports and canine agility. One way we accomplish this is by offering agility fun runs throughout the fall, winter and spring. These consist of a numbered course for you to try or simply practice any way you wish. We use our competition-grade equipment. Each team is allotted 60-90 seconds per turn (usually 2 – 3). We ask that you have had some basic agility instruction. [Learn more at: agilitycentralofmaine.com](http://agilitycentralofmaine.com)
