LEARNING IN ACTION....

This month we will be learning about:

1. "Places We Live"
2. "Rooms"
3. "Chores"
4. "Animal Homes"

We will be exploring the different types of housing, the various rooms in the homes, CHORES, and animal habitats

We strongly encourage you to take the opportunity to give your child some small chores that they can do at home!

Toddlers just love to be little helpers!

JUNE

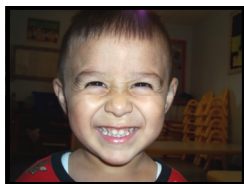

In class we are working on several concepts to promote social and independent skills.

- Encouraging nice touches
- Using table manners
- Using their words much as possible

To reinforce what they are learning in class, please encourage your child to practice these skills at home!
