**Presidents Letter**

The first half of the Winter season has drawn to a close and the second half is well on its way. With everyone knowing where their team placed within the division, they know what they must do to attain a plaque at the end of the season. At this time I would like to congratulate the teams for their accomplishments as well as the individuals who participated in the divisional singles events.

With this seasons divisional singles being held on a league night many of the divisions experienced a larger turn out than in the past. Because of this some players found they were playing into the wee hours and in some cases halting play for the night and continuing on another day. Since there seems to be more interest when played on a week night rather than the weekend we hope to continue. However, some modifications need to be made so that the event can be completed in a reasonable amount of time

I would like to remind every one of the CITY CHAMPIONSHIPS which is coming up very quickly. The event will be held on Sunday, April 5 at Breakers. Play will begin at 1:00 p.m. with an open singles championship and the ladies singles championship. All the divisional singles first place finishers from both the Fall and Winter seasons will receive free entry into the event. Everyone else wishing to participate may do so for a five dollar entry fee. Pay outs will be made to the top eight. I hope to all of you there representing your division on your quest for the City Championship.

I would also like to remind everyone of the Annual Awards Banquet and Meeting to be held at the Presidential Banquet Center on May 21, 1991. Reservations are required for guests and yourself and must be received before May 11, 1992. It is here you will receive your plaques as well as elect nominees as Board Members. The positions that will be open this year are that of Vice-President and 4 Trustee seats. These seats are presently being held by: Vice-President Chris Sanders and Trustees; Maureen Bennett, Mike Considine, Shell Hixson and Tamra Needles. If you feel you have something to offer and have the time then you should seek a nomination for one of the positions. However, as a nominee, for your name to appear on the preprinted ballot you must draft a letter of your qualifications for the office you are seeking and you must submit it before April 21, 1992. If you need additional information please call 299-DART. All the best.

Respectfully,  
Mark A. Grencavage  
President, D.D.A.

## Editor's Page

Well how is everything out there in dart land? Here is another exciting issue of our favorite publication (dreamin' eh?) anyway, I put in the high shots and totaled them like last year. A few darters have commented that all of their high shots were not on the list... I cannot imagine this since there are only 660 members on 112 teams in 14 divisions, so how could I possibly not get some high shot from the 784 score sheets I get each season in the correct place? This is probably because of my lack of brain cells, but there are a few other things that also contribute, some sheets look like a bunch of chicken scratching as far as names and especially the numbers (please write them like someone else may have to read them), many sheets do not have the divisions on them,

many do not have team names, and lots do not have dates... why dates, well if the high shots are compiled for each round (7 weeks), then I need to sort them out according to date... then there is the issue of getting the scoresheets late (if at all)... well, enough bitching... I'll keep doing my best & when I really screw up (like giving the wrong locations for the divisional singles playoffs), then I will be fired & then it will no longer be my problem, except to complain about my high shots that were omitted.

As the Tournament Director for the first Gem City Open, I would like to thank all those who provided assistance during planning, set-up, sign-up, running and the tear down...it wouldn't have happened without you thanks! ... Lou

## Games

Odd Cricket - cricket is a game that most people enjoy, and here is a deviation on it for when it gets boring.

that is another game for another day.

of any different games, cause I'm getting low on them.

Let me know if you hear

Lou

Odd Cricket requires you to close all the standard cricket numbers. You also score on closed numbers in the same manner. The difference is that you must also hit three triples, three doubles and three three-in-a-beds. You may have seen the strange extra blocks under the bull (T, D, B) at place like Hanks on the chalk boards, well these are for Odd Cricket.

One important thing to consider is that any number may be closed with three perfectly placed darts except the Beds...to close the

Beds, it requires at least nine darts. This is a good one to get out of the way early in the game.

If you find that you want to play something a little more interesting, try playing four person

Killer Odd Cricket. But

## ON THE ROAD

On this road trip we never left Ohio. Our first stop was Cleveland. The Rock and Roll Classic \$22,000, Oct. 4-6. Bill Nicoll, Jr. took T32 in Mens Singles Cricket. He then teamed up with Jeff Kompon for a T16 in Mens Doubles 501 and T32 in Mens Doubles Cricket.

Our next stop was Columbus, at the Columbus Challenge \$1095, Oct 19. Here we find Brad Wethington taking a 2nd in Mens Singles 501 and a 1st with partner Frank Wolfe in Open Doubles Cricket. Brad then teamed up with his own lady Lisa Wethington and Frank to finish Top 4 in Mixed Trips. It's nice to see you out again Lisa!

Now on to Toledo. The Toledo Open \$7500, Nov 1-3. Brad Wethington took T8 in Open 501 Singles with Bill Nicoll Jr. right behind him with a T16. Top 16 seemed to be the best Dayton guys could do in Cricket Singles: Brad, Bill and younger brother Tim Nicoll had a three way tie. Now on to Open Doubles 501 both Brad and Bill finished T8, Brad teamed with Frank Wolfe and Bill with Tony Payne. But Bill and Tony went on to bigger and better finished when teamed together in Cricket Doubles they took a 1st place. Brad and Frank finished in the T4 with Ricky Davis and Rich Skelton (Homer) at T8. Homer then teamed up with Mary Toney in Mixed Doubles and fin-

ished T8 good but not the best in Dayton, those honors go to Janet Itzkowitz and Frank Wolfe who finished T4. In Womens 501 Singles, Shell Hixson finished T8 and Julie Nicoll-Sullivan teamed up with Momma Ellie Nicoll for a T4 finish in Womens Doubles Cricket. There were two draws, 501 and Cricket. In 501, Rick Davis lucked out when he drew his favorite partner, Tereasa Wahrab, they even threw some mighty fine darts among other things. The couple took T8 with Brad/Rick Cathey and Chris Wesley/Mike Rowse finishing T16. Shell Hixson/Ed Neighbors took T8 in the cricket draw. And T16 went to Bill/Dave Reynolds, Tim/Dennis Bushie, Brad/Mike Fasy, Frank/Jeff Kostura.

Good luck Dayton as you travel the US.

## Thoughts.....Darts

There are only two secrets to successful darts...

Know what to shoot at...

Hit what you are aiming for...

the first is learned by observation...

the second is learned by practice...

both are very important...

practice up and only throw

"smart" darts...Lou.

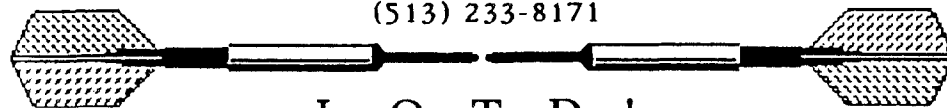

**News...** The city singles championship will take place on Sunday, April 15th, at a location to be chosen in the near future... our hearts and best wishes are with Linda Lou Busch, who recently lost her mother, we are here if you need us...
