Dear Applicant,

This is a SKP Co-op and to that end we require our leaseholders to help sustain our self-governed RV Community. You may want to join one of several committees or volunteer as a worker bee on projects throughout our season which runs from November 1 to March 31. Some of our committees require physical abilities but many do not. Serving on a committee may mean only meeting once a month or once a week. Or, you might volunteer to help set up an activity that only meets once a week, month or a season (i.e.Christmas Dinner etc.).

Once you become a leaseholder you will be welcomed by our Welcome Committee who will explain in detail more about committees, activities, etc, to help you choose.

We are asking you to sign this letter, date it and return it with your completed application to show that you have read this and agree to be an active part of this community.

Sincerely,

SKP Co-Op Rovers Roost
