HOLD THE DATE

WATER CONSERVATION SYMPOSIUM

1:30pm | Sustainable Commercial Development

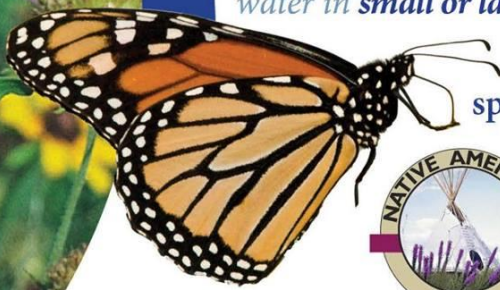

Learn how Prairie Commons in Flower Mound can meet development goals and **provide ecosystem services** by mimicking nature's systems found within the native blackland prairie biome.

2:30pm | Native Texas Plants

Create **low-water-use** natural environments to benefit butterflies and other pollinators. Residential and commercial properties can save water by landscaping responsibly with beautiful native plants.

3:30pm | Rainwater Harvesting

Rainwater is the purist resource available for drinking or gardening. Learn how you can collect and store water in **small or large scale systems**.
