THE SCHOOL OF EARTH MEDICINE NOVICE

is designed to take you on a journey of self discovery into the very essence of your Divine Nature. Designed to bring you one step closer to your unique relationship with the Great Spirit and the Mother Earth.

Our Program is designed for you to receive immediate information and instructions on how to better your approach to identify your strengths and inherent talents. Your Shamanic/Medicinal gifts can serve you in a variety of beneficial ways for the earth, others and yourself.

SPIRITUAL AWARENESS:

The process by which we begin to explore emotion and psychological self, in order to awak and merge our earth spirit with our physical and electrical bodies.

SPIRITUAL PRACTICE:

We explore the history and misconceptions of Shamanism and Introduce the concept of Mitakuye Oyasin, by identifying our unique Shaman type, we learn to understand that everything is connected and thus know intrinsically that there is a reason for our existence, this understanding allows the self to see the first stages of our dormant talents.

SPIRITUAL COMPETENCE:

Explores disease the causes and remedies. as practitioners we develop ways of responding to client's holistic needs in a competent and sensitive way. Gaining comfort with one's own spirituality is the initial step in developing awareness and sensitivity to the spiritual needs of others. Being spiritual is about being fully human, about integrating all the energies that are part of us. It is about connecting to that life force that defines us and connects us. Shamanism goes beyond religion and religious practices and includes inspiration, meaning, and purpose life, forgiveness, and relatedness through universal compassion.

SPIRITUAL MASTERY:

The embodiment of eagle medicine philosophy is explored and applied to practical use which is present across a range of belief systems which teaches strength, courage, wisdom, illumination of spirit, healing, creation, and knowledge of power. As our Self Mastery emerges we learn to develop the ability to see hidden spiritual truths, rising above the material, to see with the spiritual eyes of eagle medicine, which involves having an ability to see the overall pattern, and connections to spirit guides and teachers.
