

Toners Lake Karting 2023 Season Sponsorship

It's almost race season at Toners Lake Karting!

Our track is currently staffed completely by volunteers. We keep our pit passes and entry fees to a minimum because we know that racing can be a very expensive sport. We do not charge spectators to come to watch the races. We would like to keep it this way to help promote a "Family Friendly" atmosphere. This is where you come in.

We at Toners Lake Karting are asking for your support with the upcoming 2023 season in order to continue making facility improvements and providing fun and exciting events for racers and spectators at little or no cost. If you have sponsored the track in the past, we appreciate it.

Your sponsorship of \$150 includes:

- 24 x 36" professionally lettered sign promoting your business. Signs are displayed at the track throughout the race season.
- Your business will be advertised on the official Toners Lake Karting website, tonerslakekarting.org, and on the Toners Lake Karting Facebook page.
- Prime seating with free food and refreshments on your featured sponsor day.
- Trophy presentation to racers on your featured day.
- You will be allowed to flag one heat race on the day of your sponsorship.

2023 Race Schedule

May 14	July 23
May 21	July 30
June 4	August 13
June 18	August 27
July 16	September 10 – Finale

If you are interested in supporting the track, please fill out the enclosed sponsorship form and mail it to the address provided. Make checks payable to Toners Lake Karting. Please indicate on the form your preferred method of contact, including a contact name, and indicate your preferred race dates. A board member will contact you to confirm race date information and discuss class sponsorship, if applicable. Feel free to email or call with any questions. Thank you in advance for your support.

In order to ensure that sponsors are given the recognition they deserve, we ask that sponsor forms be returned by April 1, 2023. We will not turn down sponsorships after that date, but we cannot guarantee that new sponsors will be included on signs displayed at the track at the start of the season.

Track Board Members:

Jason Kramer: 507-521-1978	Marissa Tourville: 507-461-4501	Mark LaMont: 507-461-2503
