

Annual Golf Facility Survey

Any Club USA

Please rate the following aspects of your golf facility for quality and the courses contribution as a positive impact factor for attracting and retaining members and achieving more golf course and club usage.

At the end of this form you will find the established quality rating standards for determining your rating so you can evaluate the golf course properly. These results will be use to determine the long range strategic plan for the club's golf course for future years.

*Please complete this survey on or before September 1, 2019
Questions should be directed to; Joe Superintendent, 123 Fairway Road, City Place, 12934
Joesupt@gmail.com or (378) 921-1296*

SECTION I – Golf Course Greens

Please rate the following aspects of the club's Golf Greens (5 aspects total):

Architectural design quality of the greens, greens surrounds and greenside bunkers

(5) Very Good

(4) Good

(3) Neutral

(2) Marginal

(1) Poor

SECTION I – Golf Course Greens (continued)

Condition and maintenance of the clubs greens and greens surrounds is

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

Flagstick / Hole-Cup placement positions on greens surface is

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

Overall green smoothness and pace the last time I played was

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

The greens are consistent from green to green throughout the course

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

SECTION II – Golf Course Tees

Please rate the following aspects of the club's Tees (5 aspects total):

The practice tee is in good condition (level, divots maintained and mostly turf covered)

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

The tees on the golf course are level and divots are repaired regularly

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

The tees are lined-up and aimed appropriate to the direction of play

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

The area surrounding the tees are in good condition (no bare or worn areas)

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

The tees are of adequate size and design to challenge the player and distribute wear

(5) Very Good <input type="checkbox"/>	(4) Good <input type="checkbox"/>	(3) Neutral <input type="checkbox"/>	(2) Marginal <input type="checkbox"/>	(1) Poor <input type="checkbox"/>
---	--------------------------------------	---	--	--------------------------------------

SECTION III – Golf Course Fairways

Please rate the following aspects of the club's Fairways (4 aspects total):

Rate the overall condition of the fairways

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

Rate the watering practices on the fairways

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

The height of turf on the fairways is

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

The width of the fairways are

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

SECTION IV – Golf Course Sand Bunkers

Please rate the following aspects of the club's Sand Bunkers (5 aspects total):

The sand from bunker to bunker throughout the golf course is consistent

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

The edges of the sand bunkers have a clean crisp edge to define the hazard

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

SECTION IV – Golf Course Sand Bunkers (continued)

Sand depth is appropriate within the bunker

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

Sand drains well, rarely is there standing water in the sand bunkers

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

Sand supports ball without buried lies

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

SECTION V – Golf Course Water Features

Please rate the following aspects of the club's Water Features (3 aspects total):

Ponds and streams have no offensive odors

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

Ponds are generally free from weeds and algae throughout the season

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

Water features are always marked appropriately to delineate between lateral water hazard and hazard

- | | | | | |
|---|--------------------------------------|---|--|--------------------------------------|
| (5) Very Good
<input type="checkbox"/> | (4) Good
<input type="checkbox"/> | (3) Neutral
<input type="checkbox"/> | (2) Marginal
<input type="checkbox"/> | (1) Poor
<input type="checkbox"/> |
|---|--------------------------------------|---|--|--------------------------------------|

SECTION VI – Golf Course Amenities

Please rate the following aspects of the club's golf course amenities (3 aspects total):

Cart paths

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

On course restrooms

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

Signage, bunker rakes, tee furniture, yardage indicators and tee blocks

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

SECTION VII – Golf Course Roughs, Trees and Landscaping

Please rate the following aspects of the club's golf course Roughs, Trees and Landscaping (5 aspects total):

Trees are trimmed of all low hanging limbs and dead wood

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

Landscaping in good condition

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

Rough areas are mostly weed free and mowed to an expectable height

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

Rough areas have no holes, borrowing animals or large turf voids

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

Landscaping does not interfere with the round of golf or rules of golf

(5) Very Good (4) Good (3) Neutral (2) Marginal (1) Poor

SECTION VIII – Importance

Using the arrowed boxes select the importance of each item on the golf course.
(1= less important, 10= most important)

GREENS	<input type="text" value="10"/>	10	SAND BUNKERS	<input type="text" value="9"/>	9
TEES	<input type="text" value="7"/>	7	WATER FEATURES	<input type="text" value="7"/>	7
FAIRWAYS	<input type="text" value="7"/>	7	AMENITIES	<input type="text" value="9"/>	9
ROUGH, TREES AND LANDSCAPING		<input type="text" value="6"/>			

SECTION IX – Satisfaction

Using the arrowed boxes select the satisfaction of each item on the golf course.
(1= less important, 10= most important)

GREENS	<input type="text" value="9"/>	9	SAND BUNKERS	<input type="text" value="1"/>	1
TEES	<input type="text" value="7"/>	7	WATER FEATURES	<input type="text" value="3"/>	3
FAIRWAYS	<input type="text" value="4"/>	4	AMENITIES	<input type="text" value="4"/>	4
ROUGH, TREES AND LANDSCAPING		<input type="text" value="4"/>			

IMPORTANCE / SATISFACTION RATINGS					
GREENS		9.5	SAND BUNKERS		5
TEES		7	WATER FEATURES		5
FAIRWAYS		5.5	AMENITIES		6.5
ROUGH, TREES AND LANDSCAPING					5
