Received some information that we may or may not have a member hanging out at location to get free items. If I find out that you are going around in the area wear our department gear and expecting free stuff I WILL FIRE YOU. If a business gives you a discount, you got lucky. Tell them thank you and then move on. Everybody knows in this community who you are, even if you think they don't. Be careful on what you say either verbally or email be mindful.
