

Gifts of Stock

You can support WEN's critical work by making a gift of appreciated stock. Advantages include:

- Avoiding Federal capital gains tax;
- Receiving an income tax deduction for the full market value of your gift if you itemize deductions on your tax return and have held the assets for at least one year; and
- Making a larger gift at a lower original cost to you.

Please consult your financial planner or tax advisor to determine how these potential tax advantages apply to your specific situation.

To make a stock donation to WEN, please instruct your broker to make an electronic transfer to:

Please inform WEN of your gift. Privacy laws discourage brokerage firms from releasing the names of clients, so WEN needs your permission to recognize your stock donation. If you don't inform us that your donation is being transferred via stock, the brokerage firm can decide not to give us your name, and therefore, we will have trouble thanking you for your generous support. Please contact us at info@wen-online.org or by phone at 305-670-2266. Please provide:

- Name of securities;
- Number of shares you are transferring;
- Brokerage house / accounting firm and contact name; and
- Your address, phone number and e-mail address.
