SERVICE INTERRUPTION BOIL ORDER
MILL CREEK WATER RECLAMATION DISTRICT
IL0890120

Issued September 18, 2023
At 7:20 a.m.

Utility work on the Water Main in your area will required a shutdown of your water supply to make the appropriate repairs. Water Service has been restored and a boil order is in affect for the following address' on W Burnham Lane:

39W311	39W327	39W351	39W387	39W389	39W403	0S965
0S964	39W414	39W412	39W408	39W400	39W398	39W388
39W374	39W352	39W344	39W326	39W310		

Please be advised that Regulations of The Illinois Environmental Protection Agency (IEPA) require the issuance of a “BOIL ORDER” to any Public Water Supply Customer whose water pressure is reduced or shut off. The IEPA advises you to boil all drinking and cooking water for at least five (5) minutes before consuming. The IEPA further advises you to continue to boil your water for consumption for 24 hours after your water has come back on.

Please call your water operator, Sheaffer & Roland, Inc. at 630-208-9898 or 630-675-9963 after hours, with any questions.
