

Unloading information: Winter Garden Specialties 2020

All the specialty clubs that are part of the Winter Garden Specialty cluster thank you for your support of our event. We realize it takes planning to get ready for our event so wanted to share this important information with you regarding arrival at the Hilton and unloading at the site on Thursday.

Please remember that those **owners or handlers unloading breeds in the grooming area that are not entered at this cluster MUST have a reserved grooming space** (we still have a few spaces outside Westchester ballroom and in the tree rooms. Contact Maureen Day maday11756@gmail.com

This year we do NOT have early access to the crating and show area.

Our committee will be lining out the crating areas beginning at 6pm.

There are staggered times for unloading on Thursday due to staggered times we are getting access to the crating and ballroom areas. **Please pay attention to these times to help everyone get in as smoothly as possible!**

Please do not unload your vehicles and line up equipment hours in advance outside Westchester ballroom unloading area. This will this create a fire hazard.

If you have paid for reserved parking, please call or text Maureen Day at 516-509-8897 for your spot location sometime on THURSDAY (not before!) prior to your arrival at the Hilton.
