

HEART OF THE PALMETTO

THE PEE DEE AREA, SC

CHAPTER AREA NEWSLETTER FALL 2020

God is good! When the summer ended, many of our volunteers were very concerned about what would happen to their dear Good News Clubs.

Unfortunately, most schools weren't allowing any after-school programs. But God knew what was going to happen, and He opened doors in other places. Currently, we have six Good News Clubs running in different places around Florence. Praise God!

But we also can't wait to get back into the schools! Pray that we would have enough volunteers to restart the clubs when the schools open back up to after-school activities.

God is moving! This past summer went extremely well, and we're looking forward to the next. If you or any youth you know want to get involved, then please let us know!

God is with us! Get ready for Christmas party clubs! Christmas Across America is a great

opportunity for you to reach out to the kids in your community this holiday season! We would love to come put on a club at your church, neighborhood, daycare, school, or almost any other location where kids are. If you want one, let us know!

Would you prayerfully consider giving an end-of-the-year gift to help us reach children in 2021?
