

How I got here	1
The first accident	25
In the hospital	26
Back to work	29
The second accident.....	33
180 degree change.....	40
What I learned.....	43
The power of prayer	43
Being a parent and a spouse	44
Sadly, you don't have unlimited energy	45
Our Dog.....	54
Pet as a healer	55
Church is where you're at	58
Caring Bridge.....	60
I am not sure what my role should be.....	65
That would take a miracle.....	66
Why I got better	67
Alternative Medicine	67
Horse therapy	72
My family was engaged in my care.....	74
Someone else might have a better grip on reality	74
You find out who your friends are	76
If you are in a medical professional .	79

If you are a doctor or nurse.....	79
Keep doing what you're doing	81
If you are a family member or friend	85
How does the family have a good attitude?	85
If you are a caregiver	89
Withdrawal	92
If you are a patient	93
Live in today	96
Everyone has something.....	99
The circumstances have changed, but you still are you.	100
Guilt	102
Focus on what you can do	103
Follow instructions	104
Protect yourself.....	104
Journal	105
Your progress won't we steady.....	105
Depression.....	106
What about people who want you to get better?.....	108
Terminal Diagnosis.....	110
Get right with God, right now	113
