

**Standing together with Peel Public Health and The City of Brampton, Keenan's Irish Pub will be closed until it's safe to resume business as usual.**

A letter to our valued **Keenan's** customers,

In these uncertain times, the safety and well-being of our customers, community, and employees remain our top priority. As the Coronavirus (COVID-19) continues to affect our communities, we will be supporting the recommendation from Peel Public Health and The City of Brampton on the necessary precautions to help stop the spread of COVID-19.

Given what we know today, we believe it's our duty as an ethical business to do what we can to slow the spread of this virus and minimize the impact on our hardworking healthcare professionals. We feel this is the best decision for our people, our customers, and our community as a whole.

**Effective at 12:01 am, March 17<sup>th</sup>, we will be closing Keenan's Irish Pub until further notice.**

As the situation unfolds, our customers, community, and staff will be paramount, and everything we do will be guided by our values and long-standing commitment to being kind, compassionate, and inclusive of everyone in our community.

These are trying times for all, and we thank you for your continued support.

Take care of yourself and your loved ones.
