

## Easy Banana Pancakes for Two

- 1/2 c. flour
- 1 1/2 tsp. sugar
- 1 tsp. baking powder
- 1/8 tsp. salt
- 1 medium to large very ripe banana
- 1 large egg
- 2-3 tbsp. milk
- 1 tbsp. vegetable oil or melted butter
- 1/2 tsp. vanilla

In a small bowl, whisk together flour, sugar, baking powder, and salt.

In a medium bowl, use a fork or potato masher to mash peeled banana very well. Add egg, 2 tbsp. milk, oil, and vanilla, and mix until well combined.

Add flour mixture and use a spoon to stir until just combined. If batter seems too thick, add up to 1 tbsp. more milk.

Heat a griddle to 350 degrees or a skillet over medium heat (no higher). Once cooking surface is hot, lightly grease with butter or cooking spray and add pancake batter using a 1/3 cup. Cook first side until the tops of the pancakes begin to bubble. Flip and cook until cooked through.
