AGREEMENT, WAIVER AND SIGNATURE (You will also be asked to read and sign a long form waiver.)

I certify that all the information submitted here is true. I understand that this retreat is non-commercial, it is an informal spiritual group, that no one but myself is responsible for my health and safety, both physical and mental, and that while someone may be trained in first aid and emergency procedures and will try to do their best, we may be unable to summon the necessary help or have all necessary equipment or training if an emergency arises, and that I understand and agree to participate under these conditions and to not hold any teacher or guide liable for anything that might arise.

Furthermore I understand that this is not a recreational trip, it is a spiritual retreat, and I agree to maintain noble silence, to follow the instructions of the guides and teachers, and to do what is asked to maintain the cohesion and focus of the group.
